

SUNKEY FLEXIBLE PACKAGING

EMBOSED MICRO CHANNEL BAGS & ROLLS

REVOLUTIONARY STORAGE AND COOKING METHODS

Sunkey embossed micro channel vacuum sealer bags and rolls are designed to work with all brands of domestic / external suction vacuum sealers. They are heat resistant pouches which can be used for Sous Vide cooking up to 90 degree Celsius.

Vacuum sealer bags and rolls can be used as a method of storing food, which will extend its life by up to five times.
